Dear Mr Clarke,

Toilet facilities - Community Stadium

Can you please advise me what the current proposals are for the provision of toilet facilities at the Community Stadium?

In the all-seater areas:

What is the percentage space allocation for males compared with females?

How many (a) urinals, (b) water closets and (c) washbasins are to be provided for males?

How many (a) water closets and (b) washbasins are to be provided for females?

How many toilets will be provided for those with disabilities?

Will the quality of the toilet facilities be as good as those to be provided at the Visual Arts Facility?

In the corporate hospitality, directors' box, etc areas:
