Dear Mr Clarke,

Size of seats - Community Stadium

I would be grateful if you could please let me have details of the following:-

For the all-seater areas:

What is (a) the width of the seat and (b) the leg room space between the rows?

Last week I attended a show at the Mercury Theatre. The seats were of an ample width with more leg room than I have experienced at most football grounds I have visited this past season.

Can we expect similar seating considerations at the Community Stadium as the-atre-goers experience at the Mercury? If not, why not?

Out of interest - how does the seating at the Visual Arts Facility's theatre compare with the seating at the Community Stadium?

For the corporate hospitality, directors' box etc areas:

What is (a) the width of the seat and (b) the leg room space between the rows?

I look forward to hearing from you. Many thanks.

Yours sincerely,

Bob Russell,
MP for Colchester
