Dear Marie,

Community Stadium - facilities for supporters

Could you please provide me with a layout of the Community Stadium indicating the area or areas which have been allocated for “facilities” (eg, a club room and bar) for use by home fans?

I would also be grateful if you could let me have details of the precise dimensions.

Noting that Colchester United Supporters’ Association (CUSA) has use of the whole of the first floor above the turnstiles at the northern corner of the Layer Road frontage, I trust that the space to be allocated to CUSA in the Community Stadium will at least be equal to this (preferably larger).

From what was said at the Club’s Annual Meeting, I gather that the cost of fitting out the “shell” of the Stadium will fall to the Club. I thus assume that CUSA will be responsible for fitting out the area allocated to it.

I look forward to hearing from you. Many thanks.

Yours sincerely,

Bob Russell,
MP for Colchester
